

Woodside Equine Clinic, Inc. ♦ Wellness Program ♦ 2008

The **Gold Level** is designed for optimum care of the equine athlete as well as horses that have an increased risk of disease due to showing and traveling. This program provides a dental exam with performance dentistry including sedation and twice yearly physical exams that include nutritional counseling and a soundness jog. This package also includes twice yearly vaccinations as well as a complete blood profile and analysis.

The **Silver Level** is our most popular program. This package represents the level of care recommended for most horses. This package includes a dental exam with motorized dentistry including sedation, twice yearly vaccinations and a coggins test. This will fulfill most requirements for showing.

The **Bronze Level** is our lowest priced program. This program provides a dental exam with motorized dentistry including sedation and once yearly vaccinations, thus this option may not be adequate for most horses. This package provides minimal level of solid preventative care. It is best suited for horses at low risk that never leave the property or are seldom exposed to new horses. Due to the type of vaccines being given, our recommendations are that horses receive these vaccines in the late spring.

Terms and Conditions

- Sign-up is from 1/1/08 through 4/15/08. No enrollments will be accepted after 4/15/08. Enrollment begins at the receipt of payment prior to 4/15/08. There is no carry over to the following year.
- Payment and enrollment are required prior to appointment. We accept cash, checks, Farm Plan® and all major credit cards for your prepayment convenience.
- Preventi-Care™ may be added to all levels of care for an additional cost. Enrollment application sections 1-4 to be filled out by enrolled applicant prior to appointment.
- If enrolled in the Preventi-Care™ program, Strongid™ and Equimax™ or Equell™ must be purchased through Woodside Equine Clinic.
- Strongid™ orders must be placed with Woodside Equine Clinic, at least 72 hours prior to pick up.
- If an enrolled horse dies or is sold while participating in the wellness program, a prorated refund will be given or you may transfer the level to another horse (with a limit of one transfer per term).
- Selected levels may not be changed during enrollment term, but may be changed the following enrollment year.
- Any discounts offered through the wellness program can only be applied to the enrolled horse.
- If all services offered in your selected level are not utilized within the enrollment term there is no refund or substitution.
- Should your horse require or you request corrective dentistry in the Silver or Bronze Level you will be responsible for the difference in price between a motorized float (which is included in your package) and corrective dentistry.
- Participants may split call fees, but additional unscheduled horses will not be seen during a wellness appointment to ensure adequate time to evaluate your horse.
- The following services are **excluded** from the wellness program:
 - √ Call fee
 - √ Initial Booster Vaccines
 - √ Additional services not specified

Reminder - To receive the full benefit of your wellness plan, please collect a fresh fecal sample to provide your veterinarian during your wellness appointment. The sample should be placed in a ziploc bag and should not be more 24 hours old. If collected the night prior to your appointment, the sample should be refrigerated. Remember to label the ziploc bag with your name, your horse's name, and date.
